Members News

Dear Members,

Work is now well underway on our new bar, Etti's. Construction continues to progress and we look forward to sharing a drink with you all in the new area before the year is out. Thank you to all our loyal Members making use of our Pop Up bar, and our award winning restaurant, The Wine Room.

This has been a long time coming since we initially surveyed our Members on what they want most from the Club and we are excited to be delivering on exactly that. Keep an eye on our socials for

renovation updates throughout the project.

Please don't forget to use your points before they expire on the 30th of June, more information can be found on our website.

Lastly, thank you to everyone who has taken the time to vote in this year's Perfect Plate Competition with both The Wine Room and Bayshores Bistro in the running. We look forward to sharing the results with you all soon.
